On the Front Lines

"I encourage you to be laypeople on the front line, to be active members in the Church's mission, to live your secularity by dedicating yourselves to the actual realities of the earthly city: the family, professions, social life in its various expressions. Thus, you can contribute, as a leaven to insert the spirit of the Gospel into the folds of history with the witness of faith, hope and charity." (from the book "POPE FRANCIS and the Joy of Family Life": Daily Reflections)
